

# Motor Age<sup>®</sup>

April 1, 2011

Congratulations, Joe!

Your tech tip submission has been chosen as the May 2011 *Motor Age Tech Tip* contest winner!

Your tip will be featured in our May issue of *Motor Age* magazine, on our online community at *SearchAutoparts.com*, and directly to technicians all around the country in our *Certified Technician* digital newsletter. Enclosed, please find a small token of gratitude for your participation from us and our partner, Mitchell 1.

After our first 12 monthly winners are selected, our readers will be asked to pick the best of the best via an online poll, and a "Best of the 12" Grand Prize winner will be announced.

As a tech myself, I know that much of what we learn is passed on from one generation to the next, and not learned from the pages of a textbook. It is the aim of this contest to do just that...pass on hard won knowledge to the techs coming up to take our place. Again, I thank you for your taking the time to share and congratulate you on being named our May winner.
